## President's Report

My ambition and goal that I would like to set for the Branch this legion year is to pay off the mortgage as quickly as possible.

Thank you to the Ladies' Auxiliary for the \$5,000 donation towards the mortgage and the \$1,600 donation towards the washroom.

The D-Day Bar-B-Q was a great success with approximately 85 in attendance. I wish to thank all who worked to make it the super evening that it was. I cannot thank you all by name as at least 20 members volunteered to make the evening successful. The only complaint heard was that the plates were too small for all of the food available!

As in the past, the July 1st Bar-B-Q will begin at 11:30 a.m. Everyone is welcome to attend.

Congratulations to all who received awards at this year's Honours and Awards evening. Special congratulations to Dan Knighton for receiving his Life Membership. Thank-you to Sue McLean for a fantastic meal and to all who helped to serve and clean up.

I hope everyone has a safe and great summer.

*John Cher*  
President

## From the First Vice

The new executive year at the Branch has started and there is a full schedule planned for us all. Moving down my list of things going on within my realm, our Training and Development Officer, Comrade Bruce Judge, has advised us of an Occupational Health and Safety Awareness Training Seminar that will soon be available at no cost. Therefore, if anyone is interested, please contact Bruce.

A Kitchen Committee has been struck by the Kitchen Manager, Comrade Sue McLean, to work through any kitchen problems dealing with double purchasing, cleanliness and general kitchen health rules and regulations that must be adhered to. This is a well needed committee that deserves 100% of our support.

Help with Fish 'n Chips is ongoing and very prevalent now that the summer season is upon us. Once again, volunteers are always needed so as not to burn out the ones we have.

Comrade Brenda Grant has announced that our membership will soon total 280 once again. Good job, Brenda! And as we welcome Comrade George Royle into the position of Recruitment and Retention, we thank Brenda for last year's job well done.

*Dan Knighton*  
1st VP Br 638

## From the Sports Desk

The Annual Zone Golf Tournament, held at Smiths Falls, Lombard Glen G&CC, June 7, was entered by Comrade Brenda Grant and myself. (From this day forward) to be known as 'Team Brenda', we took 3rd place with a score of 83. Congratulations, Brenda. We will go forward to the District tournament July 19 at eQuinelle G&CC.

This year's Annual Ray Ponto Memorial Golf Tournament is scheduled to take place at the Greensmere G&CC Aug 14. We are proud to be able once again to sponsor the Homeless Veterans of Ontario. Last year's tournament was a great success and we look forward to another again this year. It is a 'Best Ball, Fun Tournament' that all who play can enjoy, eat heartily and hopefully pick up a prize. Hope to see all of our golfers there!

Additionally, the Montgomery Branch Golf Association has room for more players. If anyone is interested, please check the schedule on the Sports Board at the Branch.

Yours in Good Sports,

*Dan Knighton*

## Honours and Awards

Once again, I wish to thank my committee for their support and all those who submitted and suggested awards for our deserving members. As always, I ask that if throughout the year you see someone going above and beyond, you should WRITE IT DOWN and submit it to me for review next spring. Please keep in mind that some awards take up to three months to get through; therefore, get them in as early as you can.

## WARNING TO VETERANS RE EMAIL SCAM

Subject: Direct Deposit Veterans Affairs Canada

Compts -

Below is an e-mail that was received by one of our members purportedly from Veteran Affairs Canada (VAC). Within it the member is requested to complete a form to switch their VAC payments to direct deposit. I have spoken with VAC, and they have confirmed that a request such as this would come in writing, not via e-mail, and as well, the form attached is not the proper format for this type of change.

I have forwarded this to VAC who are investigating, and should any of your members receive a similar e-mail they should contact VAC directly.

Please pass on as required.

Comrades,

This is a friendly reminder, that your Branch's general meeting is scheduled for Wednesday, June 18, 2014, 7:30 p.m.

Most general meetings last for about an hour; after the meeting members have the option to gather in the lounge for comradeship and refreshments (sandwiches, tea, coffee, etc.).

General meetings are scheduled for the third Wednesday of the month except for the months of July, August, December and February.

Hope to see you at a general meeting!

Left: Immediate Past President of the Ladies' Auxiliary, Marg Burton, presents cheques to Branch President, John Cher, totalling \$6,600 to help pay down the mortgage and for washroom renovations.

The following anecdote was written by the late Comrade Jim Lowe

### A Rude Awakening

While serving on an examination vessel in the Bay of Fundy in 1944, we boarded a Russian ship to inspect its manifest and cargo. It had been at sea for six weeks, and when we approached the ship in a longboat, the crew of the Russian ship crowded the rails, looking down at us, and watching us come aboard. We were two young Canadian sailors and a young Lieutenant Examination officer. All three of us, still in our late teens.

All the way up the gangway, the Russian crew members were shouting, "comrade, comrade!"

We didn't realize, until we got aboard, that the whole ship's company were big, lusty-busty Russian women who had been at sea for at least six weeks and were extremely happy to see us healthy-looking young fellows.

Needless to say, it didn't take us too long to inspect the cargo and manifests and get out of there. Those women wanted more than a "hello" from us, and our examination officer was smart enough to order a hasty and dignified retreat to our own ship.

We later found out that the same Russian crew tried to gain access to a Merchant Seaman's Club, and when they were refused, because they were female, they proceeded to bust up the club. Some of them would have put King-Kong to shame. It took several weeks to put the club back into working order.

# Recruitment Report

Dominion Command set up a "Virtual Legion Branch" at the 4th Annual Defense Community Family Appreciation Days, May 31 to June 1, 2014, held at the Uplands base. This event was hosted by Canadian Forces Personnel and Family Support Services. They attract current and former Regular and Reserve Force CAF members and civilian DND and NPF employees and families.

Comrade Peter Wilkins and I attended the morning shift, May 31st. Our duties were to provide a resting spot out of the sun, complete with water and snacks. Dominion Command personnel were on sight and had a multitude of give-aways.

It was a fun morning. Peter worked the table where pamphlets and give-aways were situated; I worked the kids' area putting on

tattoos and helping to plant poppies.

I will be passing on the gauntlet to George Royle and wish him the best.
